

Science Laboratory Safety Rules

- **Rule 1:** Students will not perform unapproved experiments or use any equipment without prior instruction. Students will follow all of the instructions given by the teacher.
- **Rule 2:** Students are not allowed in the supply room.
- **Rule 3:** Students will wear eye protection when needed.
- **Rule 4:** Students will clean messes appropriately before leaving the lab room.
- **Rule 5:** Students will wear proper clothing during experiments. No open shoes and no dangling jewellery are allowed. Long hair should be tied back.
- **Rule 6:** Students will not eat, drink, or chew gum in the lab.
- **Rule 7:** Students will not take materials from the lab without teacher permission.
- **Rule 8:** Students will not horseplay or play practical jokes.
- **Rule 9:** Students will keep their lab area free from non-laboratory materials.
- **Rule 10:** Students will immediately let the teacher know about accidents, spills, and injuries
